EVE DIDN'T WORRY.

Adam's case was not so bad,
He had no boss to serve, 'tis true;
The extra duties that he had
Were far between and very few;
But if upon a sleeve a hair
By any chance was ever blown,
Eve never asked how it got there,
She always knew it was her own.

Small matter for publication must be
handed in before 9 o'clock a. m.

Mrs. Charles Luman of East Second continues
very ill.

Mrs. Thomas Ridgely, whose illness has been
noted, is in a very critical condition.

The engagement is announced of Miss Ida
May Tyler, the young daughter of Mr. and Mrs.
Thomas Fulton Tyler, of Germantown, Ky., and
Rev. John Brown of Louisville, Ky. Miss Tyler
is a social favorite and has many friends in this
city where she has visited.

The presentation of the merry burlesque of
"Romeo and Juliet" is rich in promise of suc-

SCHOOL BONDS

\$30,000 Worth Sell at Par—Draw
Four Per Cent Interest

The \$30,000 in 4% Maysville School Bonds
advertised by the City Council were yesterday
afternoon put up at auction to the highest
bidder and after considerable skirmishing were
knocked down, the entire bunch of them, to
Mr. Thomas A. Davis, who bid par and accrued
interest for them, on the \$30,000.

He purchased them for the State National
Bank.

Immediately afterward the Bank disposed
of \$12,000 of the bonds at a quarter of one

FIVE INJURED

When Handcar Jumped Track on C
and O. West of Maysville.

Last evening about 5 o'clock a handcar on
the C. and O. containing a number of colored
men jumped the track about a mile and a half
below town while en route to this city.

Among the number injured were Robert
Gooch of Frederick Hall, Va., face badly cut;
Dick Crooks, Mt. Sterling, face cut; Nelson
Morris, Mt. Sterling, leg hurt; Julius Minor,
Frederick Hall, Va., slight; Charles Flowers,
Maysville, cut in left hip.

Gooch and Crooks were sent to the hospital
at Clifton Forge, the others being only slightly
injured.

The accident was caused by the tilting of
the car, and dumping the whole push into the
ditch at the side of the track.

LEXINGTON is not missionary ground this year.—Frankfort State Journal.

Why?

Have the Democrats still a cinch on those 1,500 Negro votes at \$2 per?

The Democrats hate the Nigger, but how they do love his vote.

THE proposition to install an organ in the Bethel Christian Church near New Albany, Ind., has split the congregation wide open and two sets of officers have been elected. This is strange, considering that the Preachers dwell on the infinite variety of celestial music in store for mortals who cross the eternal bar.

DESPITE the libelous and garbled reports of Mr. WILLSON's remarkable campaign, made by the Democratic newspapers of Frankfort and Lexington, the fact can no longer be suppressed that the tide has turned in favor of the Republican ticket and that the voters are aroused to the danger that menaces Kentucky should HAGER win. Following extract is from an editorial in the Democratic Lexington Herald, and is a remarkable criticism coming from such a source:

Willson at Lexington—Great Meeting, Says Herald.

"The audience at the Opera-house Friday night was in some respects more remarkable and more striking than the speech itself. It gave evidence of an intelligent and efficient organization. The Opera-house was crowded to the limit, and many who went could not get in. * * * The delivered speech was, in our judgment, better than the written speech, and was as tactful, graceful, winning, vote-getting campaign oration as we have heard in many a day. It did not contain a word or phrase which would drive from the speaker any man whose mind was inclined to friendliness. * * * It was a remarkable audience in its intensity of feeling, and the Lexington people who were there gave evidence of a feeling in regard to the state and local races which we had not before fully appreciated.

"It was an audience to make a Democrat sit up and take notice, and it is well for us Democrats who desire the election of Mr. HAGER and Mr. SKAIN to recognize the fact that to make their election certain there must be vigorous action and efficient organization, both in local and state matters."

"I would say that there has been no issue of bonds nor change in the electric or water rates, but there is apparent need of something to decrease the cost or increase the income from those sources."

"SOMETHING MUST BE DONE"

The Municipal Plants of Knightstown, Ind., Are in a Bad Way. The Star of Muncie, Ind., recently described the condition of the municipal plants of Knightstown, Ind., in the following way: "The municipal electric light and waterworks plant is threatened with financial disaster unless relief measures are taken at once. In order to settle the question satisfactorily the city council has decided to adopt the referendum in the matter and let the taxpayers vote on the proposition of issuing bonds to enlarge and perfect the plant."

"The report of the superintendent shows that the electric light plant has been running behind during the fiscal year and that something must be done to keep it in operation. The business has increased so that there is not now adequate power for the dynamos, and a new engine will have to be put in. The city council also claims that the rates are entirely too low and that prices must be increased to keep the plant on a self sustaining basis."

"An ordinance is now pending providing for the enlargement and improvement of the plant and providing for a special election to determine if the city shall issue bonds calling for \$10,000. The present council has had much trouble in keeping the plant going, and loans from the general fund to the electric lighting fund have been frequent for several months."

In response to a request for confirmation of the report the city clerk of Knightstown writes:

"I would say that there has been no issue of bonds nor change in the electric or water rates, but there is apparent need of something to decrease the cost or increase the income from those sources."

NOT UP TO EXPECTATIONS.

Mason, Mich., by No Means Satisfied with M. O.

A recent issue of the Electrical World contained the following item in regard to Mason, Mich.:

"The common council is considering the abandonment and disposal of the municipal lighting plant now in use and securing electricity for lighting and power from the Commonwealth Power company of Jackson. The municipal plant is fast deteriorating in value and utility and becoming a constant bill of expense to the city for repairs and new equipment. The pumps at the waterworks will also be operated by electricity if the proposed plan is carried out."

A letter to the mayor for confirmation of these facts elicited the following response:

"In answer to your letter of recent date would say that there has been no vote on the question of granting a franchise as yet. Mason owns and operates its electric light and waterworks systems. We are contemplating purchasing power from the Commonwealth Power company. Municipal lighting has not been the success anticipated. When depreciation of plant is considered, we are not obtaining our street lighting at any less sum than we formerly paid a private corporation."

AFTER TWELVE YEARS.

Millford Center, O., Sells Its Light and Water Plant to Be Rid of a White Elephant.

In a recent issue the Municipal Journal and Engineer announced that the municipal light and water plant of Millford Center, O., was to be sold at auction. The following was received in response to a request for further information from the president of the village:

"I beg to say that the reason for the sale of the municipal light and water plant is the failure of municipal ownership to operate the plant as economically as private interests could."

J. L. Boylan of the board of trustees of public affairs writes more fully: "On account of a fast increasing deficiency it is deemed best to dispose of the plant. We have had twelve years of municipal ownership and have been fortunate in getting good business men at the head, yet the plant has never been on a self supporting basis and is now in need of a great amount of repair without any better outlook for sufficient income to warrant expense. We therefore wish to get rid of a 'white elephant.'"

A Sample of Public Ownership.

The Russian newspaper Svet is responsible for the following story:

"When a band of terrorists recently rushed a somewhat remote postal telegraph suboffice with the command, 'Hands up!' a cool headed female operator managed to rattle off to the central office: 'Robbers are here. Help!' The message was sent before the robbers had noticed the presence of the woman. The terrorists calmly proceeded to loot the office safe, and after they had departed the following reply to the operator's message was leisurely ticked off: 'Send a proper service message, and assistance will be dispatched.'"

Another Case of "Estimate."

Fairfield, Ia., is a city of about 5,000 population, which owns its own light and water plants. A recent report of the period from April 1, 1903, to Dec. 31, 1903, shows that the cost of operation exceeded the appropriation by \$2,049 for the lighting plant and \$4,314 for the waterworks. In other words, the plants are costing nearly \$2,000 a year more than was expected, with no allowance for the depreciation, which is adding another \$1,000 annually to the cost.

COUNCIL PROCEEDINGS

There was a special called meeting of the City Council last night for the purpose of ratifying the sale of \$30,000 worth of the authorized \$60,000 issue of new School House Bonds, and other matters properly brought before the meeting.

Judge Thomas R. Phister, representing W. W. Ball, J. M. Hunt and George L. Cox, was granted the privilege of the floor, and after a few preliminary remarks presented the following resolution which was adopted unanimously—

Be it Resolved: That it is an established fact, as will be shown by the records, that Armstrong alley running from Front street to Second street, between the property of Robert M. Cartmell, W. H. Frederick, McClanahan & Shee, E. A. Robinson and the First National Bank, is of the width of eight feet, and that any ground on either side of said alley, as it runs from Front street between the houses of said Cartmell and Frederick—at which point it is eight feet wide—through South to Second street between parallel lines, belongs to the property owners on each side.

The following proposition was presented by Mr. Parker of the American Tobacco Company, and after being read and discussed was adopted—Whereas: W. W. Ball and the Limestone Real Estate Company have heretofore dedicated to the City of Maysville, Kentucky, an extension of Elizabeth street running from Union street, in the Fifth Ward to the West end of Elizabeth street, as shown on the plat of Woodville in the Sixth Ward of the City of Maysville, Kentucky.

Now it is proposed to have said street between said points graded to a proper grade with Union street, and the grade thereof has been heretofore established and a profile filed, the Maysville Warehouse Company comes and offers to do the grading for the dirt, and do same in a workmanlike manner.

Therefore, on motion made and carried, the said proposition is accepted, and the said Maysville Warehouse Company is hereby authorized to proceed at once in the grading of said street, same to be done under the supervision of the Internal Improvement Committee.

The improvement will save the city an outlay of from \$1,800 to \$2,000. On motion the action of the Mayor and Chairman of the Ways and Means Committee in selling \$30,000 worth of School House Bonds was ratified and they were instructed to redeem the outstanding bonds issued for the purchase of the two school building lots. Nothing further, Council adjourned.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Maysville Day
Maysville Day
FRIDAY IS MAYSVILLE DAY

Yellow Ribbon Fair!

And every Kentuckian is invited to visit his Buckeye friends. Under new and liberal management this Fair is almost as much of Maysville as an Aberdeen institution. The citizens of Maysville have contributed largely in cash to secure success, and many are expected to contribute to the display in the New Floral Hall. Hundreds of premiums for exhibits of Art Work, Flowers, Old Time Furniture, Pastry, Fruits and Poultry will be paid in cash, and many beautiful displays will be made by ladies on the Kentucky side of the river. A special prize to the LARGEST FAMILY, in point of numbers, is attracting much attention and the contest for this prize will be exciting and interesting; don't miss it. The Horse Show will be the finest seen in this part of the country this year. The very liberal premiums have attracted the very best horses in a half dozen counties. The grounds will be crowded with small attractions. There will be delightful music, and all combines to furnish Maysville and vicinity a thoroughly enjoyable holiday.
SPECIAL PRIZE—A Barrel of Magnolia Flour for 5c. Every person who rides on the merry-go-round has a chance at this valuable prize. Somebody will get it for a nickel.

Friday, Sept. 27, is Maysville Day.

EBENEZER PRESBYTERY

Last Night's Session at the First Presbyterian Church

Rev. C. G. Reynolds of Lexington preached a sermon which pleased and moved a big audience on "The Social Value of the Individual." He showed the one-sidedness of socialism. It was no better than the selfish individualism it protested against. Only as we follow Christ's sublime example and program, "sanctifying ourselves" by the text suggests for the sake of others can either individual or society be what it should be.

Rev. Mr. McClelland of Pikeville was elected Moderator.

Following is the roll of Presbytery—

GOOD NEWS.

Many Maysville Readers Have Heard It and Profited Thereby

"Good news travels fast," and the thousands of bad back sufferers in Maysville are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy.

Here is an example worth reading:
John Wallingford, living at the corner of Commerce and East Second streets, Maysville, Ky., says:

"I first procured Doan's Kidney Pills in 1899 and they stopped an attack of backache which had annoyed me for some time. My wife at that time gave for publication in our local papers a statement telling of the great benefit I had derived from Doan's Kidney Pills, and now, some five years later, I can say that the cure then effected has been complete and permanent. My back and kidneys have never given me the least cause for complaint. Mrs. Wallingford also appreciates the value of Doan's Kidney Pills from personal experience with them. She suffered most acutely with backache, especially at night, and Doan's Kidney Pills promptly and thoroughly cured her."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

READ THIS AND PROFIT THEREBY!
This is a trying time of the year. Many discomforts arise from the heat. The best way to be comfortable is by bathing often, at least twice daily, and by using a liberal quantity of talcum powder. By bathing often one keeps the skin clean and the pores open, thereby allowing the entire body to "breathe freely," which means perfect health.
The best soap to use for the bath and toilet is Picard's Complexion Soap, a non-injurious, healthful soap. Talcum powder keeps the skin cool, allays heat rash, stops chafing and is an excellent toilet requisite. We have a number of kinds.

Aver's Pills are liver pills. They act directly on the liver, make more bile secreted. This is why they cure constipation, biliousness, dyspepsia, sick-headache. Ask your doctor if he knows a better laxative pill. We certainly do not. If he does, then use his kind. We have no secrets! We publish the formulas of all our preparations.

THE NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY
Not only sells the BEST and BROADEST contract, but returns LARGER dividends and therefore insures at a LOW net cost. The new 1907 policy of THE NORTHWESTERN is a marvel of completeness. It covers as many of life's contingencies, probable or possible, as can be met by money. It is like a will, except that it provides the estate that it distributes. It contains large Loan and Cash values. It provides Automatic Paid-up or Extended Insurance, and for Reinstatement at any time within FIVE YEARS after lapse.
NO OTHER company offers as many or as varied OPTIONS of Settlement, under ANY or ALL of its policies combined, as THE NORTHWESTERN offers under its ONE policy.

The colored people of Mason county held a most creditable celebration last Friday and Saturday, commemorating the forty-fourth anniversary of the Emancipation Proclamation.

The affair was managed by Rev. R. F. Broadus, Pastor of the Washington Church, and his able assistants and the open air exercises were held in Hunter's beautiful woods West of Washington.

The order of exercises was well carried out and everything was conducted in a most satisfactory manner and to the delight of the large crowd present from this and neighboring counties.

The principal white speakers advertised to be present were unavoidably absent, as they were compelled to deliver political addresses at other places. However, the celebration was a success from every viewpoint, except that the able orators scheduled to attend were not on hand.

WORKING WOMEN, WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

MRS. PREE MCKITTRICK

Women for the most part spend their lives at home, and it is these women who are willing and ambitious that their homes shall be kept neat and pretty, their children well dressed and tidy, who do their own cooking, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy.

Truly the work of such a woman is "never done" and it is any wonder that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs, a female weakness is brought on, and the struggle of that wife and mother to continue her duties is pitiful.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, is the exact medicine a woman needs whose strength is overtaxed. It keeps the feminine organs in a strong and healthy condition.

In preparing for childbirth and recuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assists her to be a good wife and mother.

Mrs. Sadie Abbott, of Jeannette, Pa., writes:

"I suffered severely with pain every month and also a pain in my left side. My doctor prescribed for me but did me no good; a friend advised Lydia E. Pinkham's Vegetable Compound and I wrote you in regard to my condition. I followed your advice and am a perfectly well woman. The pains have all disappeared and I cannot recommend your medicine too highly."

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Mrs. Pree McKittrick, of La Farge, Wis., writes:

Dear Mrs. Pinkham:

"For six years I suffered from female weakness. I was so irregular that I would go from three weeks to six months, so I thought I would give Lydia E. Pinkham's Vegetable Compound a trial.

"Now I am once more well and can do my work without a pain. Any one who wishes, can write to me and I will answer all letters gladly."

Women should remember that Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of female ills. Every suffering woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful.

COLONEL JACK CHINN

To "Liquidate" and Retire From the Turf—Notable Character

Col. Jack Chinn, the noted Kentucky politician, fox hunter and turfman, has decided to quit the race horse game and advertise his magnificent Bluegrass estate "Leonatus" for sale at public auction. All of his horses will be sold at the same time. During recent years Colonel Chinn has become involved to the extent of \$50,000 and he is determined to pay out of debt and retire to the quiet life, with a little politics on the side.

Col. Chinn will have a liberal share of this world's goods to his credit after relieving the mortgages on his lands. He announces that as soon as the sale is over and he has settled all of his business, he proposes to give his friends a great barbecue, grand and elaborate in proportions.
